## POULTRY

*Producers, Wholesalers and Distributors of the highest quality  
Bush foods, Poultry and Game products in Western Australia*

### CHICKEN

The Chickens are delivered to our factory in Malaga daily and are then boned out to order. We are capable of catering to all your needs. The Chickens are farmed locally in Western Australia, all sizes (12-20) are available. If a size is not stipulated in your order we will use a size 15 chicken (1.55kg).

Our systems and practices are above industry standards. Our premises and practices are audited regularly as part of being HACCP approved - certificate available on request.

Whole Chickens are available in carton lots only.

Frozen products come in 12kg cartons packed with 6 x 2kg bags.

Our Chicken products are Halal certified - certificate available on request.
